

HVLU

VanEck MSCI International Value (AUD Hedged) ETF

Fund Description

HVLU gives investors a diversified portfolio of 250 international developed market large- and mid-cap companies, with high value scores as calculated by MSCI at each rebalance with returns hedged into Australian dollars. HVLU aims to provide investment returns before fees and other costs which track the performance of the Index.

MSCI World ex Australia Enhanced Value Top 250 Select 100% Hedged to AUD Index measures the performance of 250 international developed market large- and mid-cap companies selected from the MSCI World ex Australia Index, with high value scores relative to their industry peers as calculated by MSCI at each rebalance. Exclusions apply for weapons and tobacco (subject to threshold screening).

An investment in the ETF carries risks associated with: ASX trading time differences, financial markets generally, individual company management, industry sectors, foreign currency, country or sector concentration, political, regulatory and tax risks, fund operations, liquidity and tracking an index. See the PDS for details.
