| | <p>Vote Note: Vote against the company chair when the company is not a UNGC participant or signatory OR the Human Rights Policy does not align with UDHR.</p> <p>Further reviewed the Company's rebuttal regarding GL's commentary. The Nominee was elected with 99.18% For back in 2022. The premise of GL's against recommendation is based on the company's inaction/irresponsiveness of shareholder dissent. The company flagged the Nominee held 43 engagement meetings which were supported by the Company's Investor Relations (IR) function. The IR team held 70 investor meetings focused specifically on climate change and Woodside's response (disclosed on page 11 of the CTAP and noted in the GL report). This improvement should support the Nominee to be re-elected.</p> | | | | | | |
